

PARTNERSHIP AND SPONSORSHIP OPPORTUNITIES

A MESSAGE FROM OUR CEO

A CRITICAL YEAR IN A CRITICAL DECADE

The fifteenth annual EEC National Conference will take place on the 27 and 28 May 2025 in Melbourne. There will be much to discuss.

Between now and then a federal election will be run and won, a 2035 emissions target will be announced and decarbonisation plans for each sector of the Australian economy will be released.

The first tranche of climate related financial disclosure requirements will have kicked in, driving a whole new strategic conversation around emissions reduction options for business.

A decision on the future of Commercial Building Disclosure will be made.

New energy efficiency regulations and consumer energy programs will be spinning up at the state level, and reviews of key efficiency schemes will be well underway.

Each and every one of these issues is of critical importance to our industry. And the 2025 EEC National Conference is where you'll get across it all.

With its signature mix of industry experts, sophisticated energy users, policy-makers and business leaders from around the country – the Conference will be the perfect place to connect, collaborate and put your business in the best possible position to leverage these opportunities.

Incorporating big picture plenaries, in depth panels and more interactive elements, the Conference is the essential date on the calendar for Australia's energy management community.

LEAD THE CONVERSATION

The EEC is looking to work with a limited number of highly engaged partners to ensure the 2025 National Conference goes from strength to strength.

And with partnership and sponsorship opportunities selling out two years running, this is your chance to get in early and be a part of this premier event from the very beginning and help us shape our flagship event.

This prospectus outlines a tailored selection of sponsorship options to meet your objectives and budget. Review the options and feel free to call us to discuss a package that meets your needs.

I look forward to partnering with you on the EEC National Conference 2025.
